

Dear Partner,

Dubai's Department of Tourism and Commerce Marketing has decided to put all entertainment activities on hold that include performances, live band and DJs at restaurants and beach clubs until further notice. This step has been taken to curb the spread of COVID-19 and to make it a safe experience for its visitors and residents.

### **WHAT THIS MEANS FOR VISITOR ARRIVALS**

- All leisure activities such as visiting tourist attractions, water parks, theme parks, desert safaris and participating in beach activities are permitted.
- Only live entertainment activities in restaurants and hotels have been affected.
- The tourism authority has been working closely with all stakeholders to ensure that all safety and hygiene norms in the tourism sector comply with precautionary measures.
